MONGER'S MESSAGE

Dearest Encounter Family,

As we write this, we are just home from our leadership training in Mahwah, New Jersey. We have to tell you what a treat it was to spend the weekend with Encountered couples from across the country, and seven amazing Marriage Encounter priests. One of the priests attending, Fr. Jeff, came all the way from Guam! We met up with passionate lovers from California who are putting their hearts and souls into preparing for the 2012 M.E. convention to be held in Sacramento (July 13-15). A sell-out crowd is expected for this one, so start planning now! We were delighted to re-connect with Fr. Gerry from New York, who presented one of our Tyler weekends about ten years ago, and with Michael and Janet, from New Jersey, who were t-shirt vendors extraordinaire at the Atlantic City Marriage Encounter convention last summer. That is just one of the amazing things about being involved with World Wide Marriage Encounter at any level—the ease with which friendships are formed, and the lasting impression they make on us. It's so easy to stay committed to each other and to our mission when we see shining examples all around us!

When we made our original weekend we found, in the presenting team, couples that we could look up to. They gave us a higher star to reach for, and so much hope. And as we journeyed into circle groups, and our greater community we found even more couples like them! Now, we who have been encountered can be that inspiration for couples coming off the weekend. We encourage you to walk with each other two by two, take the time to develop those friendships one couple at a time, and you will both be the richer.

With our love,

Fred and Jenny

Circle News

St. Joseph Circle

We had a wonderful celebration on World Marriage Day at St Joseph parish. We honored 4 couples in our parish who had been married 61, 65, 66, and 69 years. Bishop Deshotel gave a homily on marriage and honored each couple with a framed certificate congratulating them on their many years of faithful love to each other. The certificates and flowers were provided and made up by members of our Circle. The couples were so thrilled and thankful to us for this honor.

Lakeside Lovers

Lakeside Lovers area covers Denton County, and also Carrollton/FB and Coppell. We recently met on 3/5 and the Hunters gave a thought provoking presentation on "how well do we know our spouse", followed up with an awesome version of the "Newlywed Game". It was a great ice breaker for our 2 new couples off the January weekend. Food fun and more beautiful music to close the evening from the Fedak family. Finally, we look forward to our upcoming **First Annual Lakeside Lover's Lenten Dialogue Challenge** that will award 3 grand prizes to the top dialoguers in our circle at the May meeting. We also look forward to praying for couples from our area that will be attending the April weekend.

WWWebsite Much Excitement!

Want to know what is going on with the White Rock Circle? Well, we all got together during last month's meeting and figured out how to not only pay off the deficit while lowering taxes, we also found a cure for cancer and after that, we launched a new website for our Circle! (Well, 1 out of 3 ain't bad). Need to RSVP for an upcoming Circle meeting? Want to sign up for our email newsletter? Need to talk about something cool on the Facebook via the Twitterverse? Check out our new website at <http://www.wrcircle.org> Our meetings typically take place on the 3rd Saturday of the month, so come on down if you are on our side of town. Be sure to view the website for more details! Did we mention our new website?
