THE SCOGGINS JOGGINS: TLC

Dear awesome T L C couples,

We are not only honored but blessed to be a part of TLC. As we are flipping the calendar from January to Feb we stopped to ponder the wonderful things our circle has already accomplished in 2010. Our accomplishments were many but to remind you of a few...supporting the January M E weekend helping with the registration and bag drag, and coming back to the greet off, TLC dazzled with our supportive circle. Thank you for your involvement.

As the calendar folds over to February we see it full of wonderful opportunities for TLC, for Marriage Encounter and for making our marriage better. Every weekend in February is filled with possibilities for M E, from the 1st reunion off the Jan weekend. Our circle meeting was hosted by the Ang's, where we celebrated Valentines day, and stuffed brochures for pulpit talks and hand-outs. We also stuffed St. Pats bulle-

tins with a special article that was reprinted with permission from the K C's. The Smisycle team presented "How do I love thee, let me count the ways" if you missed that presentation it still is a great dialog question for your own. Have you dialogued today? .

The second reunion is Sat February 20th and all are encouraged to attend. Sunday the 21st M E TLC hosts coffee and donuts, and we also host the area leadership meeting the same day, where we plan the DFWET activities and "THE Week-ends". We are blessed to have Father Mocio let us use the St. Xavier center for this meeting.

Taking a sneak preview and folding the calendar to March, we see our chance to grow, and here is our chance to make a M E weekend available to a deserving couple and to open our circle to those that have been encountered but not active The inviting dinner we are hosting March 6th is so exciting, which is our circles 3rd inviting

dinner, and some of our couples are a part of our circle because of one of those dinners hosted. It is THE opportunity, to invite happily married couples to come see what TLC and ME is all about as well as invite couples already encountered and not active in our circle to come join us. The April weekend in Plano at the Hilton Garden Inn is filling fast, and we want couples that will be a part of TLC to be there. Invite, invite, invite!!!

We really appreciate all your "yeses" because TLC would not be the greatest without you.

We are honored to have Father Mocio's support, when you see him thank him for it, and tell him how much we love him.

We Love you all.
